## I. INTRODUCTION

---

The citizens of Moreno Valley voted to create the Moreno Valley Community Services District (“CSD” or “District”) at the time they approved the City’s incorporation in 1984. Its boundaries are equivalent with those of the City. The CSD is a dependent special district of the City with the Moreno Valley City Council (“City Council”) serving as the Board of Directors of the CSD (“CSD Board”). Under Division 3 of Title 6 of the California Government Code, the District was established to allow for the continued provision of certain services provided by the County of Riverside by use of County Service Areas (CSAs), which were established prior to City incorporation. Charges are determined after allocating costs to those parcels receiving proportional benefit from the services provided. Charges do not exceed the maximum charges as established by the qualified electors (i.e. landowners or registered voters, depending upon the number of registered voters). Revenue to fund the programs and services is collected as part of the annual property tax bill.

The City established Zones A and B to replace the CSAs that funded parks and community services and the residential street lighting program. On June 23, 1987, the City Council, acting in its capacity as the CSD Board, established Zone C (Arterial Street and Intersection Lighting), Zone D (Landscape Maintenance), and Zone E (Extensive Landscape Maintenance). On March 25, 2003, the CSD Board established Zone M (Commercial, Industrial, and/or Multifamily Median Maintenance). On December 13, 2005, the CSD Board approved the establishment of Zone S (Sunnymead Boulevard Maintenance). Each zone provides a different service or service level to properties within the respective zone. The level of service provided is based on the financial resources of each zone.

Proposition 218<sup>1</sup>, approved as a constitutional amendment in the November 5, 1996 election, specifically outlines how public agencies can collect taxes, charges, and/or assessments (“parcel charges”) on the property tax bills. Any increase beyond what the property owners/voters have approved requires approval by the qualified electors. Property owner mail ballot proceedings must be conducted in accordance with Proposition 218 guidelines and the CSD Board approved Policy For Conducting Mail Ballot Proceedings (originally adopted on January 9, 2001, and most recently amended on October 27, 2015).

To clarify the status of certain parcel charges levied in connection with certain CSD zones, the CSD Board established two assessment districts pursuant to the Landscape and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). The districts were created to replace and succeed certain zones. The assessment amounts did not increase (other than annual adjustments as previously approved by the property owners) as part of the transition.

---

<sup>1</sup> The City reviewed Proposition 218 and determined the CSD parcel charges, as currently collected, comply with Proposition 218.

Moreno Valley Community Services District Lighting Maintenance District No. 2014-01 (“LMD No. 2014-01”), created by Resolution No. CSD 2014-08 on May 27, 2014, replaces and supersedes Zone B (residential street lighting). The LMD No. 2014-01 annual assessment replaced the Zone B parcel charge on the property tax bill. The Annual Assessment Engineer’s Report for LMD No. 2014-01 includes additional information on the residential street light program.

Certain Zone E landscape zones were replaced and succeeded by zones within Moreno Valley Community Services District Landscape Maintenance District No. 2014-02 (“LMD No. 2014-02”) by adoption of Resolution No. CSD 2014-09 on May 27, 2014. The LMD No. 2014-02 annual assessments replaced the Zone E parcel charge on the property tax bill for the zones included in LMD No. 2014-02. Further information about the successor zones is available in the Annual Assessment Engineer’s Report for LMD No. 2014-02.

This Annual Levy Report (“Report”) documents the fiscal year (FY) 2025/26 CSD parcel charges. In accordance with GC 61115(b), a Public Hearing notice to consider the continuation of the charges onto FY 2025/26 property tax bills (see [Appendix A](#)) were mailed to the property owners subject to the parcel charges. In addition, the required legal notice was published in a newspaper of general circulation.

## II. ANNUAL UPDATE

---

The CSD provides special programs and services including parks and community services, arterial and intersection street lighting, and public median, open space, and parkway landscape maintenance. The Financial & Management Services Department's Special Districts Division administers the collection of all CSD parcel charges on the property tax bills, completes the annual reports, and works to provide cost savings and improved services for the zones managed by the Division. The Parks & Landscape Services Division manages and inspects the public landscaping and provides direction to the landscape maintenance contractors. The Parks and Community Services Department manages the park maintenance and community service programs. Below are some of the activities funded by the parcel charges:

- Ongoing review of the Special Districts Division webpage to ensure up-to-date information is available to include:
  - Integrated Map Viewer – enables a user to see the general location of the public landscape improvements maintained with funding received from the parcel charges;
  - Tools to report street light outages to the City;
  - Boundary maps of the parcels in the CSD;
  - Maintenance Policy for Public Landscaping within a Special Financing District;
  - Information on the benefits of landscaping with links to resources for water wise landscaping, California friendly landscaping, and non-invasive plant material.
- Standardizing maintenance service schedules to ensure consistent maintenance of public landscaping.
- Continual refinement of the competitive proposal process and management of public landscape maintenance contracts, invoice payment, and expense tracking.
- Continual review and monitoring of maintenance contracts to provide efficiencies and reduce costs including combining multiple landscape maintenance zones within a contract for cost and administration efficiencies.
- Aligning the service levels of all public landscape maintenance areas in accordance with the available funding to provide the most frequent service possible.
- Updating landscape maintenance policies to ensure consistency throughout all landscape districts.
- Applying for and receiving Tree City USA designation including adopting an annual Proclamation, conducting an annual tree planting event, maintaining a tree ordinance and department responsible for managing the City's forestry program, and establishing a tree forestry budget.

- Managing a Tree Management Procedure to ensure consistent maintenance of City trees.
- Monitoring water usage for each landscape area to ensure timely response to current water conditions and compliance with Eastern Municipal Water District (EMWD)'s monthly water budget allocations and usage restrictions.
- Evaluating different rate options offered by the electric utility and selecting the most cost-effective rate for each landscape area.
- Using automated software to track and monitor landscape services requests and to allow for data and trend analysis.

A summary of street light and public landscape maintenance activity through the end of March 2025 is listed below:

Measurements	
Count	Activity
68	City Processed Street Light Repair Requests <sup>1,2,3</sup>
226	Landscape Service Requests
317	Trees and/or stumps removed
182	Trees Installed
8,325	Plants Installed
4,267	Trees trimmed/pruned
1,315	Cubic Yards of mulch installed
311	Underground Service Alerts <sup>4</sup>
<sup>1</sup> Excludes customer requests made directly to the utility provider. <sup>2</sup> Includes requests for all special financing districts within the city (CSD, LMD No. 2014-01, and CFD No. 2014-01). <sup>3</sup> Decrease in reports correlates with installation of new lamps as part of LED retrofit project. <sup>4</sup> Includes requests for all special financing districts within the city (CSD, LMD No. 2014-02, CFD No. 2014-01, and NPDES), excluding Zone A.	

Public Landscaping Maintained		
Zone	No. of Areas	Square Footage
D	97	1,360,318
E	2	813,820
M	24	349,373
S	1	48,825
<b>Total</b>	<b>124</b>	<b>2,572,336</b>

Parks and community service programs offered by the CSD, including annual participant counts are summarized below.

Measurements			
Facilities		Counts

Adult Flashlight Egg Scramble		1,000	
Color Fun Run		800	

### **III. ZONE DESCRIPTIONS**

---

The zones were created to provide stable revenue sources to fund the ongoing operation and maintenance of the improvements and services within that zone.

#### **A. ZONE A (PARKS & COMMUNITY SERVICES)**

##### **i. BOUNDARIES**

The boundaries for Zone A encompass the entire City. Certain City-owned facilities may fall outside the CSD boundaries. All assessable (i.e. taxable) properties within the District boundaries are levied the special tax to support the services outlined below. A map of Zone A is included in [Appendix C](#).

##### **ii. IMPROVEMENTS AND SERVICES**

Zone A was established to provide the community with parks, recreation, and community service programs. Services provided by the Parks and Community Services Department include the operation and maintenance of parkland and linear parkway sites, improved multi-use trails, facilities, and recreational programs for the City's children, adults, and senior citizens.

Community and neighborhood parks provide both passive and active recreational opportunities throughout the City. The parks provide playing fields/courts for tennis, basketball, badminton, pickle ball, volleyball, soccer, baseball, softball, football, and golf. The parks also offer picnic and playground areas, fitness equipment, walking paths, hiking and equestrian trails, skateboarding, and roller hockey amenities.

There are approximately 414.76 acres of citywide parkland, 37 park sites, 10 facilities, and almost 14.46 miles of improved multi-use trails maintained by this program. Certain park facilities within the City are funded through Community Facilities District No. 1 or Community Facilities District No. 2021-01. Reference is made to the Annual Levy Report for CFD No. 1 and CFD 2021-01 for further information on those facilities. See [Appendix D](#) for a detailed list of Zone A maintained facilities and a list of amenities within the City parks.

The City supports popular programs and activities for youth of all ages, offering after school programs, classes, day camps, Movin' thru MoVal (a free traveling drop-in program that brings after school recreation and resources to parks in Moreno Valley neighborhoods), sports programs, and Time for Tots, a program designed to prepare toddlers for kindergarten.

A wide variety of low-cost classes and activities for adults are also available from art, music, and dance to martial arts. The Sunshine Social Club is designed for developmentally challenged adults 18 years and older. Activities include games, crafts, movies, dances, and more.

For those 50 and better, the Moreno Valley Senior Community Center provides a warm, friendly place to enjoy programs, classes such as Ballet, Ballet Folklorico, Soul Line dancing, Pilates, Self-Defense, special events throughout the year, and a time to socialize with other friendly adults. Distributed monthly, the Senior Soaring newsletter highlights

activities, programs, events, trips, and tours. Low-cost lunches are also hosted at the Moreno Valley Senior Community Center.

The Springtastic Festival and Egg Hunt, Adult Flashlight Egg Scramble, Multicultural and Arts Festival, Earth and Arbor Day Celebration, Public Safety Expo, Juneteenth, Summer MoVal Movie and Rock Series, Fourth of July Parade and Funfest, El Grito, Day of the Dead, Color Fun Run, Snow Day and Tree Lighting Ceremonies, are a few of the community wide special events funded by the District.

Listed below are some of the programs, classes, and special events offered.

Programs, Classes & Special Events		
<b>Fitness &amp; Sports</b> Fitness & Health: Movin' thru MoVal Sports: Basketball (Leagues, Open Play, Pee Wee & Junior, Clinics) Flag Football (Pee Wee & Junior) T-Ball (Pee Wee & Junior) Soccer (Pee Wee & Junior, Adult Indoor) Pickleball (Open Play) Badminton (Open Play) Volleyball (Open Play) Golf Disc Golf Baseball/Softball (Local Sports Organizations) Tennis (Contract Class) Pickleball (Tournaments)	<b>Senior Programs &amp; Classes</b> Art Club Crochet Scrapping  Jewelry Design Greeting Card Creations Crafty Experience Quilting  <b>Senior Fitness</b> Ballet Folklorico Fit after 50 Line Dancing Tai Chi Soul Line Dancing Inner Fitness (Yoga) Zumba Exercise with George Dancercise R&B Rocking Chair Chair Aerobics Darci Solid Gold	<b>Special Needs</b> Sunshine Social Club Adaptive Excursion Eggstravaganza Adaptive Egg Hunt  <b>Special Events</b> Multicultural and Arts Festival Springtastic Earth and Arbor Day Celebration Adult Flashlight Egg Scramble Public Safety Event Juneteenth Fourth of July Parade Fourth of July Funfest Summer MoVal Rock Series (5) Summer MoVal Movie Series (5) National Night Out El Grito; Mexican Independence Day Day of the Dead Color Fun Run Snow Day Tree Lighting Ceremony

## **B. ZONE C (ARTERIAL STREET AND INTERSECTION LIGHTING)**

### **i. BOUNDARIES**

The boundaries for Zone C encompass the entire City. All assessable properties within the District boundaries, except for those parcels within the boundaries of the Edgemont Community Services District (ECSD), are levied this parcel tax to support the services of both arterial and intersection street lighting. The ECSD provides its own arterial and intersection street lighting service. A map of Zone C and the ECSD is included in [Appendix C](#).

### **ii. IMPROVEMENT AND SERVICES**

Although the City is under no duty or legal obligation to illuminate its streets, Zone C was established to provide funding for arterial street lighting and intersection lighting on major roadways throughout the zone. The City manages a total of 12,600 street lights. Of the 12,600 street lights, 10,234 are owned by the Moreno Valley Utility (MVU) with Southern California Edison (SCE) serving the LS-2 street lights and 2,366 are MVU owned with MVU serving the LS-1 street lights. All the City-owned street lights have been retrofitted to Light Emitting Diode (LED) fixtures. LED bulbs are more energy efficient and are expected to have a longer life span than the high-pressure sodium vapor bulbs they replaced. The Moreno Valley Map Viewer, found on the City's website, includes the location of all the City's street lights funded by the City (including Zone C, LMD 2014-01, and CFD 2014-01)<sup>2</sup>. City Standards for the street lights are on file in the Public Works Department.

## **C. ZONE D (PARKWAY LANDSCAPE MAINTENANCE)**

### **i. BOUNDARIES**

The boundaries for Zone D encompass the entire City. Only parcels within identified residential tracts or development areas receiving public landscape maintenance services are levied a parcel charge. A map of Zone D and the parcels included in the zone is included in [Appendix C](#).

### **ii. IMPROVEMENT AND SERVICES**

Zone D was formed at the request of the property owners to maintain certain public landscape improvements. Zone D provides the funding source for the landscape maintenance. These improvements are located around residential areas in the City's right-of-way or a landscape easement and may include entry statements, perimeter, and/or median landscaping. An inventory of the participating residential tracts and their specific improvements and equipment are included in [Appendix D](#). The Moreno Valley Map Viewer, located on the City's website, identifies the general location of the improvements for each area and the parcels that fund the program.

The improvements are maintained consistent with the Maintenance Policy for Public Landscaping within a Special Financing District #2.19, adopted by the City Council and CSD Board on April 2, 2019 ("Maintenance Policy").

---

<sup>2</sup> ECSD street light locations are not included on the map.

The FY 2025/26 proposed Capital Improvement Project Budget includes \$475,000 to fund major landscape renovations for various Tracts within Zone D. The level and frequency of maintenance service provided is based on available funding. Design plans and specifications for the landscape improvements are on file with the Parks & Landscape Services Division.

#### **D. ZONE E (EXTENSIVE LANDSCAPE MAINTENANCE)**

##### **i. BOUNDARIES**

The boundaries for Zone E encompass the entire City. Only parcels within each identified subzone, receiving public landscape maintenance services, are levied a parcel charge. A map of the parcels in the two subzones (Zone E-7 and Zone E-8) is included in [Appendix C](#).

##### **ii. IMPROVEMENT AND SERVICES**

Zone E was formed to provide a funding source for the public landscape maintenance services where extensive landscaping in and around specific major residential/commercial development areas within the City's right-of-way or in landscape easement areas was installed. The property owners requested the CSD maintain the improvements. The improvements, equipment, and locations maintained with this funding source are included in [Appendix D](#). The Moreno Valley Map Viewer, located on the City's website, identifies the general location of the improvements for each area and the parcels that fund the maintenance.

The improvements are maintained consistent with the Maintenance Policy. The level and frequency of maintenance service provided is based on available funding. Design plans and specifications for the landscape improvements are on file with the Parks & Landscape Services Division.

#### **E. ZONE M (COMMERCIAL, INDUSTRIAL, AND/OR MULTIFAMILY MEDIAN MAINTENANCE)**

##### **i. BOUNDARIES**

The boundaries for Zone M encompass the entire City; however, only those parcels whose property owners have approved the annual charge through a mail ballot proceeding are levied a parcel charge. A map of the parcels included in Zone M is included in [Appendix C](#).

##### **ii. IMPROVEMENT AND SERVICES**

Zone M was formed to provide an ongoing funding source for the public landscape maintenance services for landscaped medians within the City's right-of-way. As a condition of development, commercial, industrial, or multifamily projects provide ongoing funding for the landscape maintenance of certain improved medians. The improvements, equipment, and locations maintained with this funding source are included in [Appendix D](#). The Moreno Valley Map Viewer, located on the City's website, identifies the general location of the improvements and any parcels that fund the maintenance.

The improvements are maintained consistent with the Maintenance Policy. The FY 2025/26 proposed Capital Improvement Project Budget includes \$150,000 to fund major median renovations for medians within Zone M. The level and frequency of maintenance

service provided is based on available funding. Design plans and specifications for the landscape improvements are on file with the Parks & Landscape Services Division.

## **F. ZONE S (SUNNYMEAD BOULEVARD MAINTENANCE)**

### **i. BOUNDARIES**

The boundaries of Zone S include all parcels fronting Sunnymead Boulevard from Frederick Street to Perris Boulevard. A map identifying the boundaries of Zone S and the parcels included in the zone is included in [Appendix C](#).

### **ii. IMPROVEMENT AND SERVICES**

Zone S was formed to provide an ongoing funding source to maintain certain public landscape facilities along Sunnymead Boulevard. In participation with the City and the former Redevelopment Agency of the City of Moreno Valley, certain parkway and median improvements were installed within the City's right-of-way. The CSD maintains the improvements installed as part of the former Redevelopment Agency's revitalization project on behalf of the property owners. A summary of the improvements, equipment, and locations maintained with this funding source are included in [Appendix D](#). The Moreno Valley Map Viewer, located on the City's website, identifies the general location of the improvements and the parcels that fund their maintenance.

The improvements are maintained consistent with the Maintenance Policy. The level and frequency of maintenance service provided is based on available funding. Design plans and specifications for the landscape improvements are on file with the Parks & Landscape Services Division.

## IV. METHOD OF ANNUAL PARCEL TAX/CHARGE CALCULATION

This section of the Report briefly describes the formula used to calculate the annual parcel charges for each zone. The parcel charges are calculated after having first determined the projected costs to provide the programs and services, including applicable administration and reserve costs, and allocating the costs across the parcels included within that zone, in accordance with its formation documents. [Appendix F](#) includes a list of each assessor's parcel number and the applicable maximum and applied parcel charges.

Annual inflation adjustments may be applied to the parcel charges each year, provided the property owners have previously approved such adjustments and the CSD Board annually authorizes such adjustments. The maximum annual inflation adjustment is based on the Department of Labor, Bureau of Labor Statistics, Regional Consumer Price Index (CPI) for All Urban Consumers for Los Angeles-Long Beach-Anaheim.<sup>3</sup>

The following table provides the recent history of the annual CPI adjustments.

Calendar Year	CPI Adjustment	Fiscal Year Applied
2014	0.73%	2015/16
2015	2.03%	2016/17
2016	1.97%	2017/18
2017	3.61%	2018/19
2018	3.24%	2019/20
2019	2.96%	2020/21
2020	1.45%	2021/22
2021	6.57%	2022/23
2022	4.93%	2023/24
2023	3.47%	2024/25
2024	3.42%	2025/26

### A. ZONE A (PARKS & COMMUNITY SERVICES)

The Zone A parcel tax is \$87.50 per dwelling unit parcel and does not have an annual inflation adjustment. Although costs to provide the services have increased and exceed projected revenues, the parcel tax for Zone A has remained at \$87.50 per parcel/dwelling unit since FY 1992/93 and will remain unchanged for FY 2025/26.

The projected parcel charge revenue is listed below.

---

<sup>3</sup> In January 2018, the Bureau of Labor Statistics introduced a new geographic area sample for the CPI. Riverside, CA, which was previously included in the Los Angeles-Riverside-Orange County, CA MSA (Metropolitan Statistical Area), will now be included in a separate CBSA (Core Based Statistical Area) and will be considered a new index named Riverside-San Bernardino-Ontario, starting at 100.000. The Los Angeles-Riverside-Orange County, CA index was renamed "Los Angeles-Long Beach-Anaheim". Because the CPI approved by the property owners, if applicable, was the Los Angeles-Riverside-Orange County index, and it was renamed and not eliminated, CSD General Counsel determined the District would continue to use the Los Angeles-Long Beach-Anaheim index.

Fiscal Year	Dwelling Units	Total Parcel Charge Revenue
2024/25	60,453	\$5,289,637.50
2025/26	60,495	\$5,293,312.50

## **B. ZONE C (ARTERIAL STREET AND INTERSECTION LIGHTING)**

The Zone C parcel tax is \$9.00 per taxable parcel, with no annual inflationary adjustment. Although costs to provide the services to operate arterial and intersection streetlights have increased, the parcel tax for Zone C has remained constant at \$9.00 per parcel since FY 1996/97 and will remain unchanged for FY 2025/26.

Since FY 2010/11, the City's General Fund has bridged the funding shortfall and as such, the FY 2025/26 proposed Operating Budget includes an allocation of \$150,000 to continue providing the current level of arterial street lighting services. The projected parcel charge revenue and General Fund Contribution are identified below.

Fiscal Year	Taxable Parcels	Total Parcel Charge Revenue	General Fund Contribution
2024/25	48,572	\$437,148.00	\$144,983.00
2025/26	49,080	\$441,720.00	\$150,000.00

## **C. ZONE D (PARKWAY LANDSCAPE MAINTENANCE)**

For tracts included within Zone D, the cost per parcel is calculated by dividing the projected expenditures for each tract by the number of parcels within the tract. In those tracts where the operational and maintenance costs are projected to exceed the projected parcel charge revenue, available unassigned reserves are used until the property owners approve a Proposition 218 mail ballot proceeding to increase the annual charge or until services are reduced to a level consistent with available funding. No new tracts are being added to Zone D at this time.

The property owners in certain tracts have approved an annual CPI adjustment, while others have not. The maximum and applied charges for each residential tract is included in [Appendix E](#). The total projected parcel revenue is listed below.

Fiscal Year	Levied Parcels	Total Parcel Charge Revenue
2024/25	11,437	\$1,235,310.50
2025/26	11,437	\$1,277,437.82

## **D. ZONE E (EXTENSIVE LANDSCAPE MAINTENANCE)**

Zone E charges are based on the operation and maintenance costs for the landscape improvements for each subzone (i.e. Zone E-7 and Zone E-8). No new subzones are being added to Zone E. The fiscal year's projected expenditures are divided by the number of residential lots, equivalent dwelling units, and/or acreage in that subzone, yielding a parcel charge, unit charge, and/or acreage charge.

Property owners in both subzones have approved an annual CPI adjustment. The FY 2025/26 maximum and applied charges is included in [Appendix E](#). The total projected parcel charge revenue is listed below.

Fiscal Year	Handbill Parcels <sup>1</sup>	Taxable Parcels	Total Parcel Charge Revenue
2024/25	6	673	\$211,409.24
2025/26	7	735	\$218,634.66

<sup>1</sup> Properties that are non-taxable and do not receive a Riverside County Property Tax Bill are issued a handbill. These include government owned parcels.

#### **E. ZONE M (COMMERCIAL, INDUSTRIAL, AND/OR MULTIFAMILY MEDIAN MAINTENANCE)**

Zone M charges are calculated by determining the proportional obligation for each contributing parcel based on the operational and maintenance costs attributable to the improved median area. No new areas are being added to Zone M. New development which may be required to share in the costs of certain Zone M medians are annexing into the City's CFD No. 2014-01. Revenue from those areas is being used to support the parcel's proportionate share of the costs for those respective medians. Reference is made to the Annual Report for CFD No. 2014-01 for additional information.

Property owners of most parcels within this zone have approved an annual CPI adjustment. Each parcel's FY 2025/26 maximum and applied charge is included in [Appendix E](#). The total projected parcel charge revenue is listed below.

Fiscal Year	Levied Parcels	Total Parcel Charge Revenue
2024/25	88	\$169,968.64
2025/26	88	\$180,179.60

#### **F. ZONE S (SUNNYMEAD BOULEVARD MAINTENANCE)**

Parcel charges for Zone S are calculated by dividing the total expenses proportionately among the participating parcel's front linear footage. The charges for this zone pay for the operational and maintenance costs of certain landscape improvements along Sunnymead Boulevard. City forces maintain certain improvements along Sunnymead Boulevard (i.e. Arch) because insufficient parcel funding exists to provide these services.

The maximum and applied rate for Zone S is \$4.164 per front linear foot. The property owners have approved an annual CPI adjustment for this zone. Each parcel's FY 2025/26 maximum and applied charge is included in [Appendix E](#). The total projected parcel charge revenue is listed below.

Fiscal Year	Taxable Parcels	Total Parcel Charge Revenue
2024/25	129	\$76,631.32
2025/26	129	\$79,255.28

## APPENDIX A: NOTICE TO PROPERTY OWNERS

# ANNUAL PUBLIC HEARING

The City's Community Services District (CSD) provides special programs and services including parks & community services, street lighting, and public landscaping. A list of properties funding and receiving services can be found on the City webpage: [www.moval.org/sd](http://www.moval.org/sd)

**Este anuncio se puede ver en Español  
en nuestra página web [www.moval.org/sd](http://www.moval.org/sd)**

## A PUBLIC HEARING TO CONSIDER

---

### CONTINUATION OF FUNDING FOR PARKS, STREETLIGHTING, AND LANDSCAPING

---

to be held:  
**TUESDAY | MAY 20, 2025 AT 6 PM | CITY HALL**  
(or as soon as the matter may be called)

The Community Services District (CSD) Board of Directors is scheduled to consider parcel charges that will be applied on the fiscal year 2025/26 property tax bills.

The parcel charges can only be used to fund the services that will benefit your property. Aside from the previously approved annual inflationary adjustments, the maximum parcel charges are not proposed to increase.

### NO NEW PARCEL CHARGES ARE PROPOSED

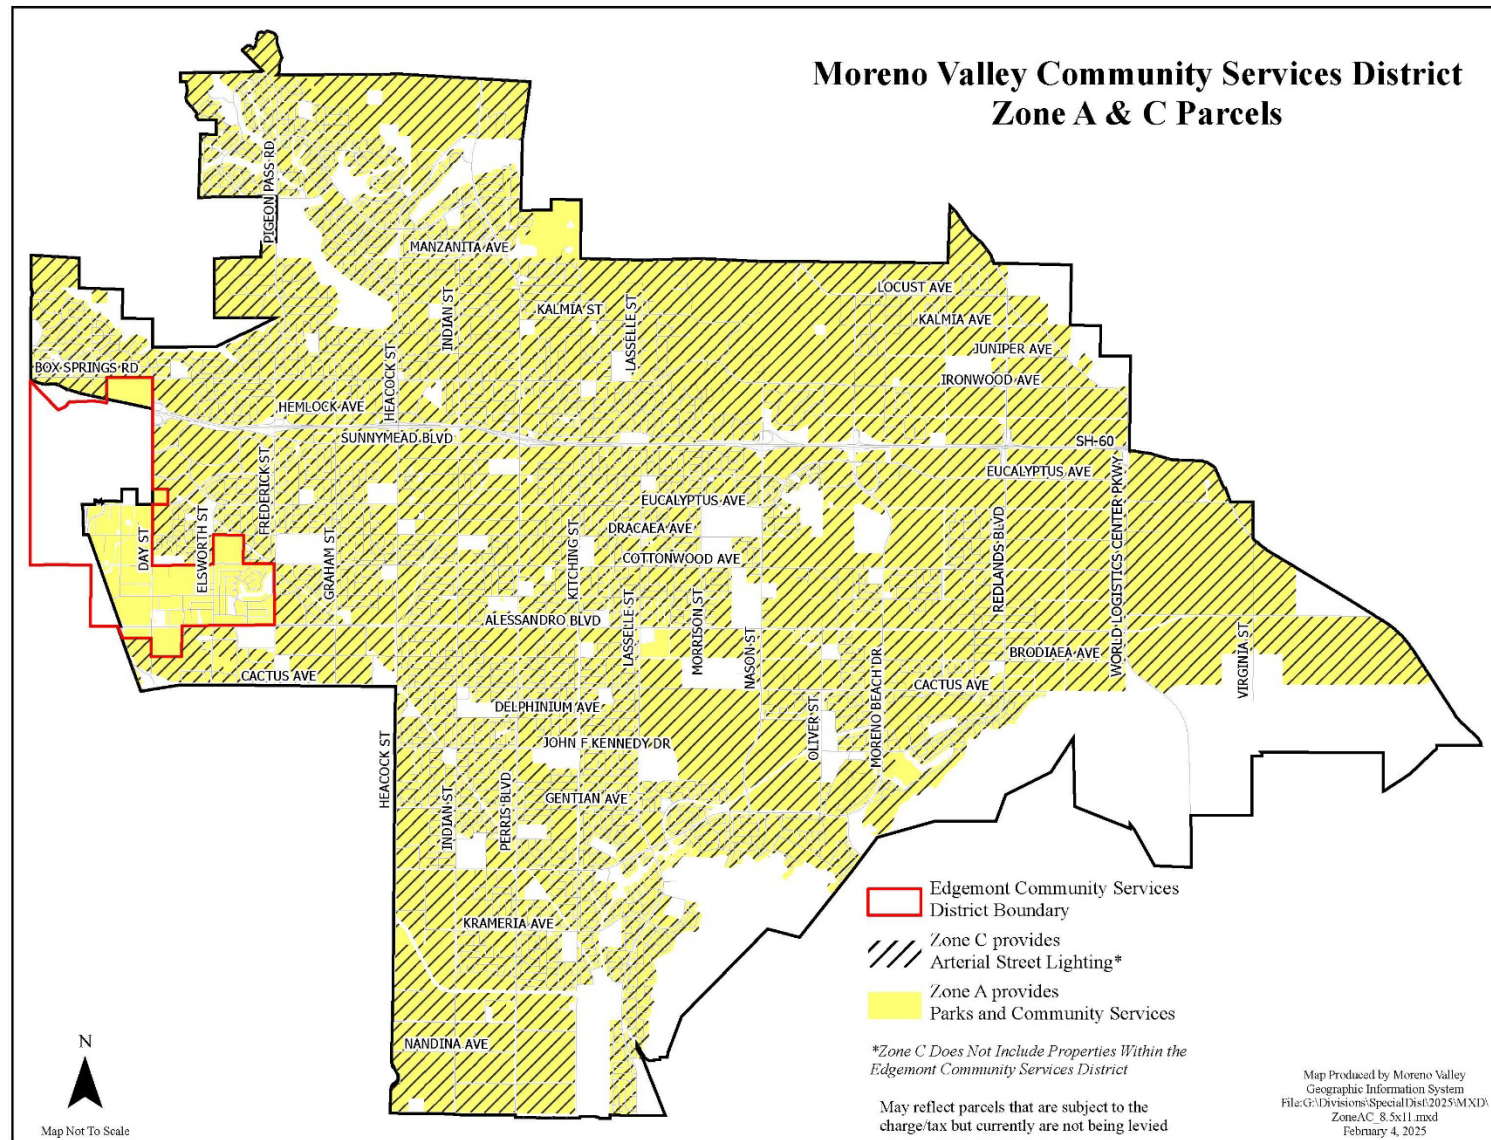

**This annual hearing is routine and participation is not required.**  
The hearing will also be broadcast on Channel MV3, streamed live via YouTube, Facebook and the City's website.

## Zone D (Parkway Landscape Maintenance) Improvements

All improvements listed below are for parkway landscaping unless otherwise noted. Measurements, counts, and square footages are estimated. Actual locations and amounts may be determined by the approved plans as recorded with the City.

Tract Number	General Location of Parkway Improvements	Maintenance Service Level	Landscape Area (sq. ft.)	Trees
10191/18468	Southeast corner of Eucalyptus Ave/Graham St	Level 3	9,957	30
11848	West side of Graham St between Old Valley Dr & Sunnymeadows Dr	Level 3	7,838	45
12305	East side of Pigeon Pass Rd on either side of /Western Ridge Rd	Level 1	1,535	5
12773	South side of JFK Dr and the west side Lasselle St	Level 1	12,404	24
12902	South side of Ironwood Ave primarily west of Lasselle St	Level 1	5,116	6
13576/19080/19081	South side of Ironwood Ave and the west side Pigeon Pass Rd	Level 3	17,337	46
13585	West side of Lasselle St north of Bay Ave	Level 3	3,416	26
14387/12268	East side of Pigeon Pass Rd north of Swan St	Level 1	7,155	7
15387	North side of Alessandro Blvd wrapping onto the west side Graham St	Level 3	13,443	-
15433	East side of Perris Blvd wrapping onto the south side of Santiago Dr also includes the north side of Iris Ave	Level 3	21,728	51
16768	North side of Eucalyptus Ave west of Lasselle St	Level 3	15,173	21
16769	West side of Lasselle St north of Dracaea Ave and the south side of Eucalyptus Ave	Level 1	9,303	44
16770	South side of Cottonwood Ave east of Stockbrook Rd and west of Terra Bella Ave	Level 3	5,011	9
17033	East side of Kitching St north of Dracaea Ave	Level 3	5,777	10
17176	North side of Box Springs Rd west of Day St	Level 3	18,048	25
17334	North side of Locust Ave at Twilight Way	Level 3	27,503	60
17387	East side of Kitching St south of Brodiaea Ave	Level 3	1,864	15
17457	South side of Cactus Ave at Parkwood Ct	Level 3	2,622	20
17867	West side of Lasselle St north of Brodiaea Ave	Level 3	13,552	22
18283	North side of Ironwood Ave between Dream St and Bayless St	Level 1	15,124	31
18512/21322	West side of Heacock St at Parkland Ave and the medians along Parkland Ave	Level 1	47,740	36
18784/20906	Ironwood Ave/Kitching St/Hemlock Ave	Level 1	19,841	80
18930	West side of Frederick St and south side of Eucalyptus Ave	Level 3	32,145	67
19032	West side of Heacock St at Gregory Lane and gated utility easement within the tract	Level 1*	4,171	123
19141	North side of Cactus Ave west of Parkwood Ct	Level 1	5,267	17
19142	North side of Cactus Ave east of Parkwood Ct	Level 1	3,196	6
19143	North side of Cactus Ave at Rio Bravo Rd	Level 3	3,409	4
19208	North side of Ironwood Ave between Tuscola St and Slawson Ave	Level 3	19,507	37
19210	South side of John F Kennedy Dr and the west side of Perris Blvd	Level 1	5,157	31
19233	South side of Ironwood Ave at Heritage Dr	Level 1	4,859	16

## Zone D (Parkway Landscape Maintenance) Improvements

All improvements listed below are for parkway landscaping unless otherwise noted. Measurements, counts, and square footages are estimated. Actual locations and amounts may be determined by the approved plans as recorded with the City.

Tract Number	General Location of Parkway Improvements	Maintenance Service Level	Landscape Area (sq. ft.)	Trees
19363	South side of Cactus Ave and west side of Lasselle St	Level 3	10,770	71
19434	South side of JFK Dr and east side of Kitching St	Level 3	9,766	44
19474	North side of Alessandro Blvd at Covey Quail Lane	Level 1	7,254	8
19496	South side of Ironwood Ave at Tuscola St	Level 1	4,246	14
19500	West side of Kitching St north of Dracaea Ave	Level 3	1,808	11
19509	South side of Cottonwood Ave and west side of Kitching St	Level 1	11,561	26
19518/18372	West side of Lasselle St south of Bay and north side of Alessandro Blvd at Chara St	Level 3	8,272	23
19529	South side of Eucalyptus Ave at Lena St	Level 1	2,672	10
19533	South side of Ironwood Ave west of Heritage Dr	Level 1	3,988	21
19541	South side of Eucalyptus Ave between Raenette Wy and Bender Dr	Level 1	3,962	1
19551	East side of Pigeon Pass Rd and north side of Ironwood Ave	Level 3	25,509	71
19675	South side of Cactus Ave between Cochiti Dr and Rio Bravo Rd	Level 1	2,418	9

## Zone S (Sunnymead Blvd. Maintenance) Improvements and Equipment

All measurements, counts, and square footage amounts are estimated. Actual locations and amounts may be determined by the approved plans as recorded with the City.

Location of Improvements	Maintenance Service Level	Planter Area (sq ft)	Turf Area (sq ft)	Trees	Maxicom Irrigation Controller	Electrical/ Irrigation Enclosure
Certain parkway and median landscaping along Sunnymead Blvd. between Frederick St. and Perris Blvd. that were installed in participation with the City and the former Redevelopment Agency of the City of Moreno Valley	Level 1	48,825	-	316	4	4

## APPENDIX E: SUMMARY OF CSD PARCEL CHARGES

Community Services District Proposed Annual Parcel Charge Rates <sup>1</sup> for Fiscal Year 2025/26						
Zone	Specific Plan or Major Development	Services	Parcel Count (est.)	Charge Category	Maximum Rate <sup>2</sup>	Applied Rate
A <sup>3</sup>	Citywide	Parks & Community Services	50,311	Per parcel/dwelling unit	\$ 87.50	\$ 87.50
C <sup>3</sup>	Citywide	Arterial Street Lights	49,080	Per parcel	\$ 9.00	\$ 9.00
D <sup>4,5,6</sup>	Citywide residential tracts	Public Landscape Maintenance	11,437	Per parcel	varies	varies
E-7	Centerpointe	Public Landscape Maintenance	106	Per acre	\$ 1,016.63	\$ 1,016.63
E-8 <sup>6</sup>	Promontory Park	Public Landscape Maintenance	404	Per parcel	\$ 794.07	\$ 32.22
			225	Per condo unit	\$ 281.10	\$ 11.14
M <sup>4,6,7</sup>	Citywide certain arterial medians	Public Landscape Maintenance	88	Per parcel	varies	varies
S	Certain improvements on Sunnymead Blvd., between Frederick St. and Perris Blvd.	Public Landscape Maintenance	129	Per front linear foot	\$ 4.164010	\$ 4.164010
<sup>1</sup> "Parcel Charge" = parcel tax and parcel charge. Zones A and C are parcel taxes; Zones D, E, M, and S are parcel charges. <sup>2</sup> Annual adjustment to maximum charge as approved by qualified electors. Based on percentage change calculated for the prior year in the Los Angeles-Long Beach-Anaheim Regional Consumer Price Index (CPI), as published by the Department of Labor's Bureau of Labor Statistics (3.42%) <sup>3</sup> Property owners have not approved an inflationary adjustment. <sup>4</sup> 28 of the 102 Zone D tracts and 3 parcels in Zone M do not have an approved annual adjustment. <sup>5</sup> Costs shared based on the area of public landscaping maintained and the number of parcels sharing in the cost. <sup>6</sup> Applied a lower charge to use unassigned reserves. Affects all parcels in Zone E-8 and some parcels in Zone M. <sup>7</sup> Rate per parcel in Zone M is calculated based on square footage of landscaping; cost spread proportionately to ballot group by linear footage or acreage.						

## **APPENDIX F: ASSESSMENT ROLL**

The List of Assessments is on file with the Secretary to the CSD Board (Office of the City Clerk).
