RULES & REGULATIONS

Please thoroughly review the rules and regulations provided below:

- Limited Funds: The incentive offer is on a first-come, first-served basis and is effective until funding are exhausted or the program is discontinued. The Emergency Assistance fund is not guaranteed and may be terminated without prior notice.
- Applicant must provide documentation, dated within six months of the application, showing a job loss, serious illness, or other emergency.
- The Emergency Assistance Fund is solely designated for alleviating customer electrical energy charges. This one-time credit will be allocated specifically to address any outstanding balance on the MVU account linked to this application. The Emergency Assistance Fund will NOT be allocated towards late fees or other associated charges.
- The application will remain active for a period of 30 days from the date of submission. During this time, it is the customer's responsibility to monitor for any requests for additional documentation. Should such requests arise, customers are required to promptly provide the requested documentation within the 30-day timeframe. Failure to do so will result in the application becoming null and void after the 30-day period, necessitating the submission of a new application.
- Applicants are reminded to retain copies of their completed application along with all necessary documentation (such as government ID, 10-day disconnection notice, proof of emergency, etc.) for their personal records. It is the applicant's responsibility to ensure compliance with all program requirements and to submit all documentation prior to application submission.
- The applicant must be the primary or secondary account holder listed on the electrical service account with MVU.
- The applicant cannot be claimed as a dependent on someone else's tax return.
- Processing time for the application is 2-3 weeks, subject to completion of all necessary requirements. However, in the event that an application is selected for further review, additional processing time may be necessary.
- After fulfilling all program requirements, Emergency Assistance Funds will be distributed to the customer's MVU electrical account within 3-5 business days from the date of application approval. The funds will not be retroactively applied to any previous invoices.
- In cases where the applicant is undergoing a collection process or facing impending disconnection, it is crucial to understand that the disbursement of Emergency Assistance Funds will not halt or delay the collection process. The customer/applicant remains accountable for any outstanding charges or fees incurred during this period. Furthermore, approval of Emergency Assistance Funds does not guarantee the termination of resolution of the ongoing collection process.

I certify the following:

By signing this form, I certify that I have read and understand the Rules and Regulations of the Emergency Assistance Funds. The information I have provided is true and correct meeting all the requirements as stated on this application. I acknowledge that if it is later determined that I do not meet the program's qualifications, I am obligated to repay all funds received.
